

Consent to the Processing of Personal Data

Acting freely, of their own volition and in their own interest, the data subject (hereinafter – the User) confirms their legal capacity and gives their consent to RusMedSoft Limited Liability Company (TIN: 5047244940, OGRN: 1205000096950) (hereinafter referred to as the ‘Controller’) to process their personal data on the following terms:

1. Consent to the processing of personal data is given by the User through the use of the website <https://mitra.tools/en/> (hereinafter referred to as the ‘Website’), including by completing the feedback form on the Website and clicking the ‘Send’ button. The User may, at their discretion, provide other personal data and information in the ‘About the project’ field of the feedback form.

2. Every User has the right to view the text of this consent via the following link: <https://mitra.tools/media/agreement-en.pdf>.

3. Consent is given for the processing of personal data that is neither special category nor biometric. The User’s personal data is not publicly available.

4. The Controller processes personal data for the following purposes:

4.1. to perform a contract to which the data subject is a party, a beneficiary or a guarantor;

4.2. to enter into a contract at the initiative of the data subject or a contract under which the data subject will be the beneficiary or guarantor;

4.3. for the operation of the Website;

4.4. to compile statistics on visits to the Website, to maintain the functionality and improve the services and sections of the Website, and to develop new services and sections of the Website;

4.5. to achieve the objectives set out in an international treaty of the Russian Federation or by law, and to carry out and fulfil the functions, powers and duties assigned to the Operator by the legislation of the Russian Federation.

4.6. to process incoming enquiries from individuals for the purpose of providing services (carrying out work) by the Operator;

4.7. to promote the Operator’s work and services by establishing direct contact with the User via means of communication.

5. The Operator processes the following personal data of data subjects:

5.1. Surname, first name, patronymic;

5.2. Contact telephone number;

5.3. Email address.

6. The Operator’s activities relating to the processing of personal data include the collection, recording, organisation, accumulation, storage, clarification (updating, amendment), retrieval, use, transfer (dissemination, provision, access), anonymisation, blocking, deletion and destruction.

7. The legal grounds for the processing of the User’s personal data, as well as other matters relating to the processing of personal data by the Operator, are set out in the Policy published on the Website at: <https://mitra.tools/media/policy-en.pdf>, which the User has read and with the provisions of which they agree in full. Thus, the User’s consent to the processing of personal data is specific, informed, voluntary and unambiguous.

8. The Controller processes and stores personal data until the Controller has achieved the purposes of processing personal data or until there is no longer a need to achieve those purposes.

9. The processing of personal data may be terminated at the request of the User or their representative in accordance with the procedure set out in the Policy.

10. In the event that the User or their representative withdraws their consent to the processing of personal data, the Controller is entitled to continue processing personal data without the User’s consent where there are grounds specified in Federal Law No. 152-FZ ‘On Personal Data’ of 27 July 2006.
